

# The Yammer

Evergreen Wellness

April 2022

Happy Spring everyone :)

We have a few things to point out for this month:

1. We will be **closed** for a few days this month (**see below**).
2. One of the key members of our team, for the last 23 yrs., is leaving us - Lynda has decided to retire :( We are very sad that she is leaving, yet we also understand not wanting to drive the Malahat anymore, especially with the gas prices so high. We will miss you, Lynda ☹️
3. Dr. Chris Yam, D.TCM is expanding his hours - he will now be working Tuesday to Friday from 10am to 3pm. He will be **off**, on holidays, **from April 4 until April 11, 2022**. As he books 2 weeks in advance, please book as soon as you know your schedule to avoid any delays.
4. Dr. Katia De Marco, ND is still working Wed. - Fri. from 9am to 4pm, with a walk-in clinic (for acute symptoms) on Fridays from 10am to 2pm.
5. As Health BC has changed some covid restrictions, please take note of our requirements (see below) for our clinic.

We are still working on new changes and have a few new ones to note (see below). We thank you all for your patience and continued dedication and support of our clinic.

The days are longer, everything is in bloom, and better weather is on the way :) Happy Easter!

## Office Closures for April 2022

We will be **closed** on the following dates:

**Monday April 4 and Tuesday April 5, 2022.**

We will re-open on Wednesday, April 6 @ 9am.

**AND**

**Friday April 15 (Good Friday) and Monday  
April 17 (Easter Monday) 2022.**

We will re-open on Tuesday, April 18 @ 9am.

## Covid/Mask Update

While masks are no longer required by BCCDC in public places, please **remember** that **we are a health clinic that does have immuno-compromised patients**; therefore, we do **require** the following upon entering (and while inside) our clinic:

- \* **Wash/sanitize your hands;**
- \* **Cough/sneeze into sleeve/tissue;**
- \* **Mask required if other patients are present in the waiting room; and**
- \* **If you are sick, please do not enter.**

We want you to feel safe, so if you would feel more comfortable with us wearing a mask while you are here, please do let us know :)

## Ch-Ch-Ch-Ch-Changes...

*(Thank you, David Bowie)*

**Quick reminder of the changes we have made so far (as of February 1):**

1. An **increase in price** on most of our supplements.
2. An **increase in price for Consultations** with Dr. Christopher Yam, D.TCM.
3. Dr. Katia De Marco, ND., is **now** registered with Health Insurance BC (Carecard/MSP), so **IF** you are on Disability or Income Assistance, your BC Health Card coverage can re-imburse you \$23 of your consultation fee (*they only cover a portion of consultations and Acupuncture*).

## **New Changes coming this month (April):**

1. Dr. Chris Yam, D.TCM is expanding his hours; he will now be working **Tuesday - Friday from 10am to 3pm.**
2. We will be offering Full Script (a site that you will be able to access through our website) for you to order the supplements that you need.

We will still carry our most popular products (and those that are not available through Full Script) in-house but, due to so many delays and costs these last couple of months, we decided to offer an avenue of ordering what you need that can be sent directly to your home. This should be available by Easter.

We are still working hard to add **new** services and re-introduce some of our old ones by Summer.
